

EDIsecure® DCP 340+ Direct Card Printer

A HIGH-PERFORMANCE, DOUBLE-SIDED PRINTER FOR YOUR GROWING NEEDS

- Double-side printed cards in brilliant color with crisp, sharp graphics
- High-speed printing of up to 190 full-color and up to 1,000 monochrome cards per hour
- Convenient, automatic front card loading and output
- User-friendly design for easy operation and maintenance
- Advanced cleaning roller system
- Various ribbon combinations available
- Ideal for medium to high volume applications for corporations, organizations, hospitals, health facilities, and universities, for photo IDs and loyalty cards

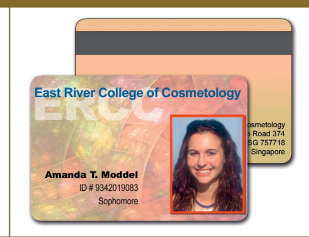

The double-sided, edge-to-edge *EDIsecure®* DCP 340+ Direct Card Printer is the ideal solution for card personalization of medium to higher volume applications. High quality printing results in attractive cards with a professional look. With its high class design, low noise level and small footprint, it fits perfectly on every desk. Photo IDs and loyalty cards can be created now quickly by the perfect combination of speed and highest quality.

The DCP 340+ has an extremely impressive print speed of up to 190 full-color cards per hour. The print speed jumps even up to 1,000 cards per hour when printing monochrome cards. Easy handling is guaranteed by the quick-change of supplies through re-loadable cartridges, operator replaceable printheads, front-facing card feeding and output, and continuous card cleaning. The advanced cleaning roller system removes particles that could scratch cards, damage printheads or diminish print quality. The smart printer driver shows all information on the PC screen, including message prompts, color image previews and online help.

Choose with barcodes and magnetic stripe encoding the machine-readable technology that fits with your access control and other automated systems.

THERE IS ONE FOR EVERYBODY

FEATURES:
